Djwhal Khul here. Tashi Delek.

Alright now. This week I want to talk about Divine Energy and the experience of pleasure.

Creation has that pleasure in Divinity kind of built-in component and we're at a time here where many sentient beings on the planet are experiencing perhaps anything but pleasure.

So we want to bask in the light of Creation. We want to *embody* the sensation of pleasure. You can call that upon will, just to sort of sweep through you even momentarily, while you're doing something else. And then to perhaps fill the entire room with the feeling of pleasure or maybe I can define it a bit more, would say a lack of stress, lack of pain, lack of fear, just that pure sense of Ahh!

Alright Dear Ones. As always, thank you and my love to you.
