Djwhal Khul here. Tashi Delek.

Alright. This particular week we have Venus in Aries and Mercury in Aries and then Mercury will be going direct. So, and well, there's also Beltane which is kind of a blossoming, when you think of flowers and May Day and sort of a blossoming or springing forth kind of energy.

But mostly I'm focused on the Venus and Mercury and then Aries as a fire sign and then what we can do to kind of refine both the Feminine Power and the Communication ability into a kind of fire, a sort of a direct but fiery movement. Think of Kwan Yin on her dragon kind of energy moving forward.

And so we have Kwan Yin, Goddess of Compassion and Mercy, on a fire-breathing dragon or a fiery dragon.

This is a way to embody Feminine Power and being heard. Now I will put that forth for *all* bodies on the planet, not just those in feminine bodies but this is a time to really harness more of a nurturing communication style but in a way that cannot be ignored.

Alright Dear Ones. As always, thank you and my love to you.

*Djwhal Khul*
