Djwhal Khul here. Tashi Delek.

Alright. Well, we have a sound of a cat munching some dry food in the background. That is Rainbow. She's a little miracle, still alive and kicking.

We have Mercury direct but still causing a little bit of trouble, coming off a Full Moon that is quite potent. And I think that emotions in general are running high. You'll find there is a deeper sense of attachment or a deeper sense of going with the flow.

So as lightworkers I am directing that "Go With The Flow". Just feel like you're liquid. Perhaps a quick silver or just water, just sort of flowing through Creation and letting everything be effortless like water finds its path easily.

Alright Dear Ones. As always, thank you and my love to you.
