This is Rev. Terri Newlon of [www.TerriNewlon.com](http://www.TerriNewlon.com)

We have Pluto going direct in Capricorn of course and a few other things: Yom Kippur and I do believe, of course my cat is sitting on my calendar, Mercury moves into Libra so that could be relief for some people.

You can also listen to the following message, and all subsequent messages which change every Thursday. The latest message is available 24/7 by telephone or computer at:

Djwhal Khul here. Tashi Delek.

Alright. Well Pluto going direct, that is a big deal! Because Pluto is sort of saying "get into the right relationship" and this particular going direct and all the other things going on, kind of letting off steam, pressure cooker effect, really is almost like cracking the whip, really "this is the time to move forward in right alignment or else there are going to be wrecks all over the place."

So we have got to stay on track and keep focused on really sort of a New Age government, New Age reciprocal flow energy in relationships, more equal distribution of wealth. And there are a lot of things occurring here and then of course Atonement with Yom Kippur.

You know the major holidays, no matter what religion it is and what your religion is, they do create energy fields on the planet and that one is a very good one. So all of Humanity is Oneness, all of Creation is Oneness.

So when these things are being celebrated, maybe it's Christmas, Islamic New Year, whatever it is, that affects Humanity. When you get together and pray for World Peace, that affects Humanity. So keep going with energy work.

Alright Dear Ones. As always, Thank you and my love to you.

*Djwhal Khul*
