Djwhal Khul here. Tashi Delek.

Well, I want to kind of tie in our Mind Over Matter theme with Mercury entering Capricorn, Martin Luther King Jr. celebrations and a call in general that we are hearing from the inner planes which is liberation. Liberation for the people or liberation from illness, liberation from pain, etc.

So my focus today is Liberation from Self because this is a time when you can open the mind wide and triumph over matter. Matter is Creation plus thought-form and when you erase the thought-forms you just have the pure creative process which can be directed. So Liberation from Self is what to seek from a spiritual perspective always and then especially powerful this particular week.

As always thank you and my love to you.

*Djwhal Khul*
