(Channeling begins)

Djwhal Khul here. Tashi Delek.

Well, we have kind of a strong Full Moon energy and a few other things sort of moving around in the Heavens and a lot of solar activity, a lot more earthquake and volcano activity, weather patterns stimulated by the Sun pattern, so we have a lot of turmoil basically.

This is a perfect time for some kind of purification. It might be clearing up your thoughts. It might be tapping out some excess emotions. It could be a cleansing diet for three days or three weeks. Perhaps it's time to clean out the closet or lighten your load in any way that you can. So, some kind of cleansing or purification is a good way to synchronize with what's going on in the Heavens and affecting humanity.

Alright Dear Ones. Thank you and my love to you.
