Djwhal Khul here. Tashi Delek.

Alright. We have the Full Moon of the Christ approaching, the first of the three Sacred Moons. And it'll be a Full Moon in Libra the same day that Passover begins March 31 when we have Good Friday, Passover and Easter Sunday all kind of blown together with the potency of this Full Moon.

Also going to note that Venus enters Taurus sort of overnight on Good Friday. That is going to help bring some beauty into the feminine. Well, I'm going to say this is always a good time to charge water during a Full Moon but especially a Sacred Moon. You want to put maybe a glass jar of water out or a jug of water out and let the Moon charge it up and drink the water. Maybe water a plant with it that is a little ill or something. And the exact Full Moon is 5:37 am on Saturday the 31st. So that particular sunrise moon is a very important sunrise moon, more so than on Easter Sunday but they're both going to be spectacular. So sunrise with the effect of the Full Moon.

Alright Dear Ones. As always, thank you and my love to you.
