Djwhal Khul here. Tashi Delek.

Alright. Wesak is approaching, it will be the next Full Moon. We'll have our celebration together by Teleconference on April 30. This particular Wesak I think you can benefit even more by preparing ahead. I am subtitling it "Reinvent". So it is a time to reinvent yourself. Reinvent your business. Reinvent your workplace. Reinvent your family unit. Reinvent the future. And think in terms of also repurposing things or finding new meaning for an old object. Lots of good ideas coming forth. So a reinvention of all energies is what is upon us.

Wesak is the Buddha Full Moon. And at the esoteric levels, it is symbolic of a lot of initiations and moving forward and acceptance of World Service, that sort of thing. So it is our spiritual New Year if you will and quite an important Full Moon. So begin your reinventing now.

Alright Dear Ones. As always, thank you and my love to you.

*Djwhal Khul*
