Djwhal Khul here. Tashi Delek.

Alright. Well we have Mercury going direct and Saturn going retrograde and we're building up to the Wesak Full Moon. So this is an intensive time period.

I'm going to say that communications will continue for this week to still be a little bit muddled or difficult, still some electrical problems here and there or satellite troubles, phones dropping, Internet going out, that kind of thing.

Then as we hit Saturn retrograde on April 17 in Capricorn, Chiron and Mercury going direct in Aries, so we're getting a clump of fire happening. Pay attention to your body. You might need lemon water to cool it off a bit, I'm sorry lime water, lemons will heat, limes will cool. Although I saw lemons for most of you so maybe in an enlightened stage you need to add more heat to the fire just to move through something a little quicker. So just kind of tune in individually on that one.

The Wesak Full Moon is after Earth Day, technically April 29. We will celebrate it on by Teleconference on April 30.

Alright Dear Ones. Thank you and my love to you.

*Djwhal Khul*
