Djwhal Khul here. Tashi Delek.

Alright. I'm just going to get a little bit deeper into the channel here so I can get a good strong flow of information.

Well we're dealing with Mercury just having gone direct but still muddy and mostly I think the Saturn and Pluto Retrogrades. Strong. It will last through September.

So, this is a time period for being careful about what you create. About what goes around comes around. It's going to come around rather quickly and with a swift kick sometimes, so you want to be creating goodness as much as possible. When life is not flowing so well, go ahead and vent harmlessly and then go back to Joy, Peace, Love, acts of kindness. That kind of thing.

So be a server in the world during this time period and that should work out quite favorably. But also highly recommend invoking Saturn as a gentle loving teacher and invoking Pluto as a bringer of justice, also working gently within your life.

Alright Dear Ones. As always, thank you and my love to you.
