(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Well let's see here. There is so much going on in the Heavens I think we're going to touch back down to Mother Earth here and Feminine Presence and of course Mother's Day celebrated this Sunday, May 13. Then we have our New Moon which will be the half way marker between the Wesak Moon and the Full Moon of Humanity when Ramadan begins.

So we have a nice week but I think that this one the focus is “Love Your Inner Mother”. So what we want to do here is focus on that internal nurturing aspect and any of course external nurturing aspect also to bring those to the forefront and really maybe focus on pampering yourself a little bit here, speaking kindly to your physical body, emotional body, mental body and of course spiritual body.

Alright Dear Ones. As always, thank you and my love to you.

*Djwhal Khul*
