Djwhal Khul here. Tashi Delek.

Alright. We are getting ready for Venus to move into Leo next week. So I think that working with invoking a lot of Divine Feminine Power ahead of time is good. I'm going to suggest the colors of bright pink and bright magenta, magenta being kind of in the pink, red, purple family. As long as the colors are very bright and very vibrant, they will set the pattern in your body to get you ready for what's going on in the Heavens.

And of course, as always we will be watching carefully and assisting all those who ask. So please do ask.

As always, thank you and my love to you.
