Djwhal Khul here. Tashi Delek.

Alright. We have a very interesting combination in the Heavens now. We have Mercury closest to the Sun, our source of light, now in the sign of Cancer which is kind of creating more intuitive decision making, more emotional decision making. So that always shows up in some interesting ways.

We have Venus in Leo bringing a little fire, a little passion, maybe a little bit of a lioness roar there and that is a good energy.

We will have Neptune going retrograde soon in what I call psychic Pisces and then we will have Mars going retrograde in Aquarius which is more of a kind of humanitarian energy. Mars is actually morphing more from a male war planet association into something more almost gender neutral really or slightly more toward feminine as well. And that is really a reflection of Humanity's progression.

So we're in a time period of the Feminine Power rising as a Divine Feminine Power. I do suggest that you call upon Three Star One. We do have a [glossary](#) on the website if you are not sure who she is or any of the other ones I mention, you can go there and look. I think Navigate towards the bottom of the page and look for the word "[Glossary](#)".

So one of the things that is enhanced quite strongly is Service. And those of you that serve Humanity are here, become a better person, making the world a better place, helping animals, helping nature, just in general raising consciousness.

I have developed sort of an Abundance prayer that I think fits most of you. If not, you can certainly change a few words or whatever you want to do with it. It will be yours to play with. So this is it.

Dear One Source of Everything,  
Bless me as I serve your glorious Creation.  
Give me more with which to serve.  
Keep your divine guidance upon me.  
Protect me and keep me safe always.  
Use me to create and spread Joy.  
Show me a Life of abundance.  
Sustain me in your everlasting Love.  
God bestow upon me a prosperous life.

Alright Dear Ones. As always thank you and my love to you,

*Djwhal Khul*
