Djwhal Khul here. Tashi Delek.

Alright. This is the beginning of summer. Summer is here. And I will say that a lot of things are heating up in general.

There is quite a bit of controversy on the U.S.A. and Mexico border with children being separated from their parents and put in cages, so there is a lot of prayer needed as things heat up even more.

James Twyman is sponsoring a Global Peace Meditation for 15 minutes on Friday June 22 at 10:00 EST so that will be 7 am in West Coast, California Time and of course any time that you can put some prayer into that is greatly appreciated. You can synchronize it with other world groups praying for the same. So that is probably most of my focus at this point in time to kind of take that overly masculine edge off of some very important issues.

Keep in mind that as we get into next week, we will have Mars also retrograde and a full Moon in Capricorn. So it's going to be even more intensified by then, everything in general.

Alright Dear Ones. As always, thank you and my love to you.
