Djwhal Khul here. Tashi Delek.

Alright. It's been a while since we made a YouTube video of this so we're back in the YouTube channel again.

I want to talk about the Mercury retrograde because it is in Leo, impacting world leaders. It has been bringing forth quite a bit of energy that is very strong and in general there will also be a lot of fiery anger flushing out so safely channel your own. Tapping points are here (*pointing at the collarbones*), work with faster EFT, TFT, rebirthing breath and anything you can think of that kind of takes the charge off. Maybe some calming herbs.

And then also the Full Moon lunar eclipse, extremely powerful, is followed by another potent event two weeks later and then another one two weeks after that. So they're all going to build upon one another.

Uranus retrograde basically that's twists, turns, changes and during the Mercury retrograde even more fun! So keep your cool. Avoid people who *cannot* keep their cool and be very cautious out in public.

Alright Dear Ones. As always, thank you and my love to you.
