Djwhal Khul here. Tashi Delek.

Alright. We'll get in a little deeper into the channel here. There.

This week of course is a very important Saturn Direct, doing so in Capricorn. Now we have sort of this kind of strong justice, truth be known. Capricorn is where Pluto is based a bit longer. And we have also quite a few other things taking place. Venus and Mars are changing signs this week. Rosh Hashanah starts and the Islamic New Year starts.

So I am going to say that this is a time really to focus on the head, the heart, the stamina and also celebration of something new and asking Saturn specifically to direct you, like "Point me in the right direction." "Give me directions on life." Saturn you want to wear like a best friend or like your backpack with all your gear in it for survival and just really work with again kind of Venus, Mars, physical stamina, the head, the heart and direction in life as well as ushering in a cycle of Peace.

Alright Dear Ones. Thank you and my love to you.
