Djwhal Khul here. Tashi Delek.

Alright. Well Thanksgiving and celebrating indigenous people again. And then also the Sun is moving into Sagittarius, that is always kind of an interesting time of year just because of that.

But we have a Full Moon following in Gemini which can make for some craziness, just simply put it the way I'm seeing it. Then we have Neptune going direct in Psychic Pisces and it's been retrograde for about five months. So Neptune watery psychic intuitive energies have been in that kind of slowly moving backwards space, so it has been a time to heighten psychic activity. When it goes direct I think that is going to help with clarity. Remember to ask the angels of enlightenment to continue to bring you clarity as well.

"Angels of enlightenment walk with me. Stand with me. Lay with me. Reside within me."

Keep going with your invocations for angels of enlightenment.

I'm going to say for travel on the holiday weekend, it could get explosive but do your best to keep an enlightened presence about yourself and that should help.

Alright Dear Ones. As always, thank you and my love to you.
