Djwhal Khul here. Tashi Delek.

Alright. So we're in that kind of pre-holiday energy. We're also with a lot of disconnecting going on. So I think that connecting and then trying to reconnect and connect *again* because what will feel like is happening is like a lot of scattering or like you say something to someone and then you think they are talking to another person like they must be on the phone talking to someone else while I am talking to them.

There will be kind of a scattered communication pattern. Even text messages looking maybe discombobulated and whatnot. So just deepen that connection through communication and speak from the heart and see if you can kind of refine that a little bit more.

Alright Dear Ones. As always, thank you and my love to you.

*Djwhal Khul*
