(Channeling begins)

Djwhal Khul here. Tashi Delek.

Well this is the week when we have Winter Solstice, a Full Moon and then Christmas approaching. So we are going to be working with some interesting energies. Let me just take a look here a little bit ahead. And then Kwanza beginning before our next weekly [Spirituality Article](#).

So we're going to have the potential for a lot of family harmony. So what I would suggest that you do is just kind of go through your personal inventory, especially around holidays and traumas or family disruptions or negative memories and just throw them into the white light. You're just going to keep discharging into a kind of high spiritual plane, white light of brotherly and sisterly love and you're just going to send it away. So you stop recalling it or re-experiencing it. So dissolving past issues is strongly available and seeking out that true harmony with all of Humanity is possible.

Alright Dear Ones. Thank you and my love to you.
