Djwhal Khul here. Tashi Delek.

Alright well we have a little creativity boost as an opportunity here. So we're in the Year of Alignment with Higher Good and then creative energies are also kind of heightened especially over the weekend. As we get into the early part of next week, I think generally the moon energy is favorable to keep the momentum going for heightened creativity.

So I'm just going to say Align Your Creativity with your Highest Good and see what comes out of that and enjoy the fruits of your labor.

Alright Dear Ones. As always, thank you and my love to you.
