Djwhal Khul here. Tashi Delek.

Alright. Well we have Mercury in Aquarius and in addition to that, quite a lot of polarization, polar opposites, dualities, the right and wrong side, the black and white side. You can easily see that playing out at multiple levels; maybe you could even see that playing out right inside your own household or right inside your own mind.

So how does a mind in the Aquarian Age function? It functions with a greater picture. It is always looking at the grander scope. What is best for Humanity? It thinks in terms of all inclusive. Like how can **we** work this out? What understanding can **we** come to? So I am encouraging you to put on your Aquarian thinking caps if you will and look for common ground. What do we have in common? What is it that we all want? What is it that we both want? Etc. And just keep focusing on the good common ground that is beneficial. In that way we are aligning with higher good and that is our theme this year.

Alright Dear Ones. As always, thank you and my love to you.
