Djwhal Khul here. Tashi Delek.

Alright. Well yes, your ancestors, your ET ancestors, are gathering around wanting to assist you in any way possible. So I would say gaze at the stars even if it's through a window or whatever but *connect* with the night sky.

And you can do that in meditation right through the roof literally so you can kind of send your light-body up into the Pleiades, or to Sirius, or Arcturus and ask your ET friends to assist you in whatever way they possibly can. So this is a time to really kind of pull on all of your resources and to feel that universal pattern or that multi-galactic multiverse unification.

And also I would add to continue to pray for the enlightenment of humanity.

Alright Dear Ones. As always, thank you and my love to you.
