Djwhal Khul here. Tashi Delek.

Alright. Well, our Jupiter is retrograde in Sagittarius and it will be there until August 11, 2019 at which time Uranus in Taurus will go retrograde for about five months until January 10, 2020.

The vibratory pattern throughout this time period is strenuous. It gets combative masculine to masculine, so you need to go feminine all inclusive, just opening the energy strongly from the heart center, bringing the mind, the emotions, really kind of a caring attitude towards all of Creation. Pulling that energy in and then staying in service. And that's really the remedy there.

Serving Higher Good, serving Divine Will. Asking questions like How can I prosper even more? How can I do well? How can I feel secure? How can I manifest more? or How can I enjoy better health? Whatever it is... Lots of How can I? questions. And keep your sight set on serving Divine Will.

We're also upon the three Sacred Moons and we'll have a [Christed Full Moon](#) call this month, Wesak in May and the Full Moon of Humanity in June.

Alright Dear Ones. Thank you and my love to you.
