Djwhal Khul here. Tashi Delek.

Alright. Well, this week we have Pluto freshly retrograde, Passover ending, Orthodox Easter and Saturn retrograde, all while we have some very strong energies with Uranus basically in a great depression configuration.

So again light workers, reach for your full potential. Simply ask that you be aligned with your Highest Good in service. That is our theme for this year, aligning with higher good. And then keep the heart open and filled with the Christed light and with service and devotion. And I think that you can skim across the top of things rather than getting caught in things.

Alright Dear Ones. As always, thank you and my love to you.
