Djwhal Khul here. Tashi Delek.

Alright. Well it's Wesak. The Full Moon of Wesak which is always the spiritual new year for lightworkers. This year we have a very short window of the Moon full in the sign of Scorpio which is of course opposite the calendar from Taurus. You have the Sun in Taurus, the Moon in Scorpio and full. So that's what makes the Wesak Moon.

Now this year the theme, the annual theme, is Aligning With Higher Good. We also have some tremendous Third Eye activity happening for all of Humanity and everything on the planet. So all the animals, etc. A lot of third Eye activity. Be clean with what you're sending and receiving in terms of Third Eye energy especially.

Now I think we have some strenuous configurations. We will address that in our [Full Moon Ceremony Teleseminar](#) that we have on Friday, May 17. Then of course all of our inner plane activities as well.

So perhaps the most notable here is that there will be a lot of awakenings, a lot of soul merges, people kind of moving to the next level of initiation and that's with or without the awareness of what is happening. So that is the good news.

The more unfortunate one is that a lot of anger is getting flushed out to make the way for that. Some people are acting rashly on their angers or craving more work to do later, messes to clean up basically and then chances of war and then financial collapses because we have Uranus in Taurus and that is where it was during the Great Depression.

So there is kind of a pressure cooker effect happening. Just keep aligning with higher good or highest good. "I like me better when I'm with me" would be a good theme. So you are saying "I, as a soul, as a monad, as a spirit, agree to occupy my physical, emotional, mental bodies and I like me better when I'm with me."

Alright Dear Ones. As always, thank you and my love to you.

*Djwhal Khul*
