Djwhal Khul here. Tashi Delek.

Alright. We have during this week, our fiscal week, we have the New Moon which is the halfway point between the Sacred Wesak Moon and the Full Moon of Humanity.

We also have on that dark moon, the ending of Ramadan and the dog is signaling a cause for concern. Well, let me see if I can get him to come back. He's barking at the energy moving.

Alright. So in this configuration with the lack of light from the Moon and then kind of a final push for a peaceful reality with Ramadan because those prayers are quite powerful and I honor them and they are working. If that is a holiday you celebrate, thank you.

The rest of the lightworkers just keep focusing on world peace and things coming back to right order with God's plan, aligned with highest good, something to that effect. So this is a time to start putting energy into humanity behaving in more enlightened ways.

Alright Dear Ones. Thank you and my love to you.

*Djwhal Khul*
