Djwhal Khul here. Tashi Delek.

Alright. Well, right now, we have both Mercury retrograde and Chiron retrograde so that is affecting communications, electronics, healing processes and a number of other things. Before we finish out our fiscal week, we also then have a Full Moon with an eclipse on it and that will be on Tuesday. So essentially this is a break-through point. You can kind of rise *above* issues of communication health and leap through to a new level.

(Apologize, that is the dog getting a drink. So one Moment. Maybe longer than a moment. Big dog. Big drink. And of course the bowl was freshened this morning as usual. There we go.)

So watery Neptune - might as well go with the dog's lead - is also causing a lot of psychic activity, like it or not. There is a lot of inner planes chatter. So this is a time specifically to be extra mindful of what you are talking about and thinking about because what you focus on is what you'll get. You

also want to think of this because this is a very stormy time and you want to try to find yourself calm in the eye of the storm.

Alright Dear Ones. As always, thank you and my love to you.
