Djwhal Khul here. Tashi Delek and Namaste to those who use that term. Same thing, different languages.

Alright. So this week we have a Full Moon in psychic Pisces with a lot of Neptune influence, which is watery. We have also Saturn going direct so my comments here are: invoke as much Joy as you can, create as much good karma as you can, release any bad karma that you may have built up and correct it as quickly as possible.

Saturn going direct in Capricorn on September 18 is a very powerful energy. It will really happen in the early hours of the morning. So you want to stress Saturn is a good friend and a kind and loving teacher and you want to work with that 51% good karma or better and reaping the rewards there.

Now the Full Moon happens prior to that on Friday the 13th so the energies are interesting. I would say that Friday night and even Saturday night are very vulnerable. Not a good time to go out and

party, that sort of thing. Try not to drive late at night. Just sort of hunker down and wait for the energies to subside there.

Alright Dear Ones. As always, thank you and my love to you.
