Djwhal Khul here. Tashi Delek.

Alright. This week we have Pluto going direct in its long standing Capricorn. We have about 5 more years of that. We are in the last 5 years of crunch in terms of bringing justice and what not. So I thought with the New Moon also approaching, this would be a good time to work with a lifting veils of illusion.

On the inner planes we will be working with that and you can just go kind of in a meditative state or make the request that you participate while you are in the sleep state or you can kind of consciously do it. Basically it will look like very thin sheer curtains kind of waving a little bit and we just literally kind of lift them up and send them into the light. So all the help we can get in removing veils of illusion is most welcome. Certainly should make some improvements in your own personal life but we are also looking on a global scale.

Alright Dear Ones. As always, thank you and my love to you.
